About this Marketsite Event:

Mark Gorder, CEO of IntriCon Corporation, presides over the Closing Bell.

About IntriCon Corporation: Since 1977, IntriCon Corporation has been honing their experience, expertise and capabilities to make IntriCon what it is today, "The Body-Worn Device Company." Their mission is simple: to enhance the mobility and effectiveness of body-worn devices that connect people to people and to the devices around them. IntriCon designs, develops and manufactures miniature and micro-miniature body-worn medical and electronics products based on their proprietary technology to meet the rising demand for smaller, more advanced devices. Their main expertise is focused in four markets: medical, hearing health, professional audio and electronics. IntriCon is headquartered in Arden Hills, MN and employs more than 600 people at facilities in the United States, Europe and Asia.
